#### 15. Multidisciplinary / interdisciplinary

CIEM follows multidisciplinary curriculum to equip the students with an overall knowledge on allied fields besides their core subjects under MAKAUT.

For every B.Tech. Course there are options for learning subjects like Physics, Chemistry, Mathematics, English, Biology, Environmental Science, Language laboratory are taught in their 1st four semesters.

Sample course structure for B.Tech 1st year:

Fir	First Year First Semester							
Maı	Mandatory Induction Program- 3 weeks duration

Credit based course on Environmental education is a part of the curriculum. Students are encourage to take part in various activities like distribution of necessary accessories to needy people, blood donation camps, celebration of International Womens' and Language Day, sit and draw competition for local children, facilitation and providing of scholarship to under priviledged and meritorius students. These are credited as a part of their Mandatory Additional Requirement (MAR) points.

As per the present curriculum structure B.Tech. Students take admission in 1st year and in 2nd year(lateral entry) and finally complete the course at the end of 4th year.

The institute has a research cell named Innovation Cell where multiple student activities happened throughout the year. They organised various events like tech fest, coding competitions etc. They are involved under the supervision of a highly enthusiastic team of faculties.

#### 16.Academic bank of credits (ABC):

CIEM, being an institute affiliated under MAKAUT, has limited scope for change or upgradation of syllabus. Still in its thrive for excellence, it offers maximum number of choice based optional subjects to the students. It also encourages students to participate in various national level competitions and conferences.

#### 17.Skill development:

The institution emphasises on skill development by offering multiple electives and add-on courses.

The Institute organizes various hardware as well as software model based competitions and exhibitions throughout the year (eg. tech fest) which is open to both internal and external students. The judges are eminent personalities from respective fields.

The soft skill development program is an integral part of every student's curriculum.

The Constitution of India is a mandatory course for many B.Tech courses. Values and Ethics course is made mandatory for all to have ethical values inculcated.

Mandatory participation of students in various MOOCs courses (NPTEL, SWAYAM platform, Coursera).

### 18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

As per existing guidelines of MAKAUT there is no provision for introducing regional language based curriculum and the corresponding teaching-learning system. Primary language of communication is English.

#### 19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

As per existing guidelines of MAKAUT,
CIEM introduced various assessment methods by taking online
quizzes and assignments using google classroom or by physical
means. Each subject is assessed with respect to the curse outcome
and their attainments, also the programme outcomes and the
programme educational objective can be calculated. This helps to
get an idea about the student's understanding of the subject and
can measure the learning outcomes.

Page 10/63 30-04-2024 03:50:05

#### **20.Distance education/online education:**

Online education through lectures in google classroom platform for both theoretical and practical subjects have been imparted throughout the year. Students are directed to do MOOCs courses in NPTEL, SWAYAM platform.

#### Part B

#### **CURRICULAR ASPECTS**

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The Institution follows the curriculum provided by Maulana Abul Kalam Azad University of Technology. The Principal of the Institution conducts meetings with the various department heads to develop strategies for effective implementation of the curriculum. An academic calendar is prepared based on the calendar received from the University, with dates set and fixed for the internal exams and extracurricular events.

Faculties are encouraged to impart the curriculum through innovative teaching methods such as presentations, assignments, discussions, workshops, seminars and industrial visits.

Monthly work load analysis is conducted by HOD. Progress of the

course is monitored by HOD, The Institution follows Outcome-based education (OBE).

The students have mentors who they can approach in case of issues or counselling. For a group of around 15 students a teacher is allocated as Mentor.

The students can use mobile app to access and download course materials, take tests and assignments, and hence learning is not restricted just within the boundaries of the classroom.

Feedback from industry and alumni is given due importance in defining graduate attributes and design of course outcomes.

Timely feedback is obtained from the students and staff. Measures are taken to enforce necessary changes by the HODs and principal.

Institute follows the Continuous Assessment CA1, CA2, CA3 and CA4.

### 1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Before commencement of the academic year, the Institution prepares and publishes an 'Academic calendar'. The academic calendar is published on the website of the college and displayed in the notice boards. The students' academic progress is monitored regularly by adopting the strategy of continuous internal evaluation, seminars, project work, test and semester examinations. For the implementation of the Internal Assessment Process, Examination committee is formed at the college level which monitors the overall internal assessment process.

Measurement ofacademic progress of the students is done by internal assessment, result analysis, attendance and project through academic units and functionaries

• Student's feedback-Institution conducts student feedback

Page 13/63 30-04-2024 03:50:05

- process every semester to improve teaching quality, infrastructure and the entire learning experience.
- Mentoring: The faculty regularly interacts with the assigned students to access and monitor the progress of each student.
- Student's academic evaluation- Each theory class followed workbook assignment as well as Google classroom assignment and online quiz test for performance evaluation.

#### 1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

As the college is an affiliate of the university Maulana Abul Kalam Azad University of Technology (MAKAUT), the college itself do not have much scope and opportunity to develop and design its curriculum. It follows the curriculum suggested by the university. However, the university in recent times has introduced the Choice Based Credit System in which Skill, Enhancement Courses (SEC) and

Page 15/63 30-04-2024 03:50:05

Discipline Specific Electives (DSE) are incorporated to supplement the, basic Core Courses. In these SECs and DSEs there are several cross cutting issues which are relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability.

The university itself has many courses related to this.

## 2.1.2 - Number of seats filled against seats reserved for various categories (SC, ST, OBC, Divyangjan, etc. as per applicable reservation policy during the year (exclusive of supernumerary seats)

#### 2.1.2.1 - Number of actual students admitted from the reserved categories during the year

38

File Description	Documents
Any additional information	No File Uploaded
Number of seats filled against seats reserved (Data Template)	<u>View File</u>

#### 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The students are admitted on the basis of WBJEE Rank. After taking admission, they undergo a bridge course(PhysicsChemistryMathematics) before the commencement of regular classes. This is to help the students from different backgrounds to be at par with each other. Once the classes commence, the learners are evaluated by means of both direct (internal tests) and indirect assessment (tests on soft skills, projects, practical knowledge...). By dint of the data collected in this process, the teachers can easily identify the good, average, and poor learners according to the proficiency in relevant fields of knowledge. The institute makes sure that they receive adequate support for their development. The slow learners are given additional support by conducting Remedial Classes for them beyond class hours to help them cope with the studies. These classes are taken whenever the teacher concerned decides on its necessity. On the other hand, the better learners are given opportunities to work with their teachers in various projects. In addition, since peer-to-peer learning is constantly encouraged the advanced learners get an additional opportunity to reinforce their knowledge. Further, they are given opportunities to deliver presentations in seminars, and participate in group discussions in order that they can improve themselves.

	Nil

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

At college level Three CAs in a semester are conducted for internal evaluation.

CA1 is based on the student centric activities where students present PPT on a topic provided by the respective faculties.

CA2 is based on Assignment on a topic given by respective faculties. CA3 is based on the written examination conducted by our examination cell. Apart from these university conduct CA4 examination on online method but all the venues are self college of the student.

The marks are then displayed department wise and a copy of the marks is uploaded on the Controllerof the Examination Section of our University MAKAUT from individual faculty account.

MAKAUT gives the ultimate internal marks which is 30% of total marks on the basis of all CA examinations.

Rest 70% marks is assessed by final semester examination of each paper. The examination is conducted by University but the venue is self college. Grievance redressal System: Our Grievance redressal committee have been reforming in every academic year The structure

of the committee is as follows:

- Principal of the Institution(Chairperson)
- Nominated Senior Professor of the Institution(Convenor)
- 3. Chairperson of the CIEM Society(Members)
- 1. Nominated official by Vice Chancellor, Affiliating University (Members)
- Nominated senior Professor of the affiliating university(Members)
- 1. Nominated Senior Professor of the Institution(Members)
- 2. All Head of the department(Members)

File Description	Documents
Any additional information	No File Uploaded
Link for additional information	Nil

#### 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Program Outcomes (POs), Program Specific Outcomes (PSOs), and Course Outcomes (COs) are framed by the department following extensive consultation with all faculty and stakeholders, in strict conformity with the objectives of Outcome Based Education (OBE). Following the achievement of consensus, the information is extensively disseminated and popularized via various methods described below:

- 1. Website
- 2. Department Notice Boards
- 3. Meetings with employers
- 4. Laboratories

- 5. Library
- 6. Induction Programs
- 7. Faculty meetings
- 8. Parent meet
- 9. Alumni meetings The HODs along with the faculty members provide information to students, raise awareness, and stress the importance of achieving the goals. Specified skill requirements to be met by students at the micro level and by the end of the programme known as PSOs. The PSOs are normally prepared by the programme coordinators in cooperation with course coordinators. The BOS of each department, will discuss and approve the proposal after approval by the Principal.

File Description	Documents
Upload any additional information	No File Uploaded
Paste link for Additional information	Nil
Upload COs for all Programmes (exemplars from Glossary)	<u>View File</u>

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Each course contains a set of COs and evaluation criteria that must be met. The course results are mapped to the POs. Through the mapping of questions to COs and COs to POs and PSOs, the students' performance on examinations over the semester in each course is utilized to compute the level of achievement of the POs and PSOs The process of course outcome assessment is by direct or indirect method. The direct method consists of Mid Examinations and Semester End Examination. The indirect assessment is done through the course end survey. Rubrics are framed for the assessments. The attainment of each CO is computed by setting the class average mark as the target. The COs of each course are mapped to POs & PSOs with weightages of 3 (Strong), 2 (Medium) and 1 (Weak). Assessment of CO of courses Acourse result should satisfy at least one or more of the program's outcomes. These are the abilities, knowledge that students can display after coursecompletion. CO attainment is calculated using the percentage of pupils whoscore over 80% in each measured criterion.

#### 3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Institute has a knowledge resource centre. In order to increase the students' employability, the institute has made various

Page 26/63 30-04-2024 03:50:05

certificate programmes. These programmes are aimed to give students practical training in a variety of areas. For the benefit of the students, who are primarily from economically disadvantaged classes, the institute has arranged scholarships and created a facilitation centre. The institute features a separate seminar room where lectures on career counselling and job prospects in different industries are held. The institution fosters the growth of entrepreneurial ideas and skills across all disciplines and forms partnerships with businesses and entrepreneurs to mentor our students and inspire them to become interested in research as well as to launch their own start-ups. There is a well-equipped Innovation cell that organises different technical competitions and exhibitors for Intra College and Intercollegiate students throughout the years.

We support the ideas of students & help them to nourish those ideas into effective actions

plans. Services offered by the Institute:

- 1. Guidance from mentors from various fields regarding career development.
- 2.Frequently interactions from industry experts.
- 3.Infrastructure with discussion room & seminar hall for PPT presentation.

#### 3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

To help students acquire social ideals and a sense of responsibility, the college has organised a variety of extracurricular activities. Campus cleanliness is regular activities of college. The Institute had organized a neighbourhood street play to raise awareness of the dangers of air pollution. Additionally, campaigns for cleanliness and planting trees are frequently used. Through student activities, groups, seminars, gatherings, and projects with participation from other organisations, the college has included the community in its outreach efforts. These have a huge impact on the students' public consciousness and help in their developmental process. The institution promotes and arranges students' involvement in social activities.

#### INFRASTRUCTURE AND LEARNING RESOURCES

#### 4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

Yes, the institution has adequate infrastructure and physical facilities for teaching-learning process. Calcutta Institute of Engineering and Technology, Main Campus, established in the year

Page 31/63 30-04-2024 03:50:05

2003 is one among the top college in west Bengal State. The college is located on a 2.54-acre campus with 8410 Sq.mts built-up area and is permanently affiliated to MAKAUT. The college is conducting 5 undergraduate and 1 post- graduate programs. CIEM has a state-of-the-art infrastructure, creating an environment for progressive learning and development. We have well-equipped classrooms and laboratories as per the AICTE requirements to cater to the academic needs of the students.

#### Classrooms:

There are 22Classrooms and 2 Seminar Halls which are equipped with ICT facilities.

#### Laboratories:

There are 30 laboratories, 2 R&D centers and 1 Workshops which are well equipped and maintained. Computer laboratories are installed with licensed software as well as open-source software.

Apart from regular labs, we have well-established R&D Labs, Project Lab's.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

Yes- Sports activities occupy a significant part of the college curriculum in calcutta Institute of Engineering and Management.

#### Cultural Activities:

To encourage student's innate talents the College Cultural Committee conducts events like essay writing, debates, group discussions, general quiz, dumb C, extempore, singing, dance, etc. It allows the students to show their skill, display their leadership qualities, and unleash their latent and hidden talents. We host the Cricket Tournament and Football Tournament intercollegiate every year. Students with a passion for music and dance are encouraged.

Page 32/63 30-04-2024 03:50:05

#### Yoga:

Every year we celebrate yoga day in our yoga center in direction of educated yoga teacher.

#### Sports & Games:

There is also a dedicated area of 174 Sq.mts for Indoor sports, including Table Tennis, Badminton, Chess, and Caroms and 5023 Sq.mts for outdoor sports, including Football, Badminton, Cricket, and volley ball.

#### 4.2 - Library as a Learning Resource

#### 4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The Knowledge Resource Center of Calcutta Institute of Engineering and management College is the treasure house of information and is one of the important central facilities of the Institution, established in the year 2001, catering to the educational and information needs of faculty and students in Engineering at both UG & PG level.

#### Library Automation:

The library is fully automated and library software is used for Circulation, Procurement and Project Reports. All the library documents are bar-coded and books are issued to users by reading the bar-code of the document.

A register is maintained to know the number of users who make use of the library every day.

#### OPAC

CIEM Library provides a remote access facility to current Students, Faculty Members, and Staff Members to access the subscribed e-resources from an off-campus location, through the "Remote Log" software service.

Name of ILMS software:

LSEase 4 college edition(LIBSYS) upto year 2023.

KOHA from 2023 to till date.

Nature of automation: fully automated library

version:

LSEase(Rel.6.3) under windows (NT-2003)

year of automation:

in 2009, Library automation through LSEase 4(Rel. 5) combine(LAN based housekeeping and web based OPAC, patron, Data publishing) version with unlimited user license.

#### 4.3 - IT Infrastructure

#### 4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

#### IT Policy:

CIEM framed and established an Information Technology Policy in the year 2003 to maintain, secures, and ensure the legal and appropriate use of Information technology.

Now, the College has about 50 network connections covering more than four buildings across the campus. Internet & Wi-Fi Facility: Full coverage of Wi-Fi. Extension of Wi-Fi to the canteen. 500 Mbps speed internet. 50+ Wi-Fi access points with extenders provided to cover the entire campus. Internet connectivity to all computers. Wi-Fi facility 24 hours on campus Dedicated Internet Labs

Apart from the computer laboratories setup for syllabus programs the Institute has provided computer centers for general purposes and learning during extra hours.

We have local area wireless technology which allows an electronic device to exchange data or connect to the internet using 100MBPS in our college campus. Cyber-Security:

Page 36/63 30-04-2024 03:50:05

A new firewall was installed for the security of the campus network with filtering features for handling enhanced load on network and applications, catering to academic and administrative processes, for a secure campus network.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The institution has a structured system for maintaining and utilizing the facilities available at CIEM Campus. The facility management team maintains the physical, academic, and support facilities.

## Building Maintenance Committee:

In-charges of this committee will report to the Principal through the Administrator and look after the following works. Civil Engineering Works: Building maintenance, repairs, painting, furniture, etc. .

Maintenance of campus hygiene and cleanliness, drainage system, waste disposal, etc. There will be designated staff stationed in each department to look after departmental hygiene issues under the supervision of the Hods.

## Equipments Maintenance Committee:

All the laboratories are spacious and well-lit. Do's and Don's/safety precautions are displayed in each laboratory. Every equipment in the lab is bar-coded and records of the same are maintained.

### Sports Maintenance Committee:

The sports facilities of CIEM are maintained by the assigned faculty in charge. A stock register and an issue register are maintained to ensure the proper handling of the sports items.

## Computers/IT Maintenance Committee:

The campus has optical fiber backbone for inter-connectivity between buildings and each building have their LAN.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, cocurricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

There are active student committees in the institution. The students with the help of the college takes proper initiatives to form the student committee comprising of various conveners' who conduct various activities like organizing the college fresher's, annual fest as well as various other activities including seminars, quiz competitions, debate competition as well as sports meets. The committee shoulders the responsibility of forming various bodies like the cultural club, drama club and others. The committee also actively takes part by providing members to IQAC and Anti-ragging body.

The committees ensure that student interests are adequately represented and their grievances voiced and addressed in the college.

The student committees were formed with some objectives, which can be summed up:

- To develop various skills in students by involving them in planning and implementation of academic, social and cocurricular activities.
- To cultivate learning process through practical experiences which encourage and make students more confident and effective as well as apt in their communication skills.
- To act as an effective resource (collaboration with the entrepreneurship cell of the college) for students to help them build successful careers and become great business leaders.
- To provide a chance to interact with all students and faculty.

## GOVERNANCE, LEADERSHIP AND MANAGEMENT

## 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

To impart high-quality technical education with efforts to install strong human values, entrepreneurial skills, research capability, effective communication skills problem-solving abilities to face the contemporary world with solutions for its crisis or problems. Hence right from the administrative bodies to the academic bodies and other statutory bodies as per the requirement of AICTE guidelines, there is active participation of members from all corners in it. There is active involvement of faculty members as well as administrative staff in the different committees in the institute, AICTE mandates, in some committees there are student representatives too. As one of the ways to enhance the quality of the institute, the Internal Quality Assessment Cell (IQAC) was formed in the year 13.02.2018 preparing the entire institute for the NAAC accreditation.

The institute highly encourages and promotes the formation of strong bond between the faculty members ,student activity related committees by selecting good number of faculty members in them along with the student members. Although the courses compliance with the (MAKAUT) guidelines, but the departments are given full freedom to operate the courses by them by making alterations as vetted by the respective Departmental Academic Committees (DACs) keeping in perspective the benefit of the students.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Page 45/63 30-04-2024 03:50:05

The effective leadership is reflected in various institutional practices such as decentralization and participative management.

Decentralization and participative management of the college is visible in all its academic and administrative spheres. Multi layered transpired governance system is ensured through written policies, systems and procedures, distinct job description and well knit committee. In CIEM different bodies include the IQAC, Departmental academic committee, and Examination cell, Anti Ragging Committee, Library Committee and Research Committee. The Institution also has an Editorial Committee which looks after the publication of the institution's journal. Moreover in liaison with the CIEM Society the Institute has a few more committees in the form of Purchase Committee, Building work's Committee and Revenue Generation Committee. All these committees function in accordance to their specific guidelines.

## 6.2 - Strategy Development and Deployment

## 6.2.1 - The institutional Strategic/perspective plan is effectively deployed

As per BOG's plan the Principal and the departmental TiC's execute the operation. At the end of each academic year a review and evaluation is carried out by the BOG. The Principal presents report of the academic performance of the institution in the BoG meeting. The non-compliance or anomalies are spotted by the BOG, suggests necessary actions to be followed for academic excellence. The measures are taken in the next academic year and the results are presented in the next BoG meeting for evaluation.

- 1. More emphasis on ICT enabled teaching learning process.
- 2. Effective use of ICT in non academic platforms too.
- 3. Thrust on more Add On certificate courses on subjects based on industrial requirements to bridge the industry-academia gap.
- 4. More emphasis on an Industry-Institute partnership.

Page 46/63 30-04-2024 03:50:05

- 5. More emphasis on Extra-Curricular activities such as encouraging effective organisation of Technical Fests, encouraging the students to participate in different technical as well as non technical competitions.
- 6. To encourage the faculty members to be involved with distinguished Universities in various capacities.
- 7. To encourage the adoption of means (ratified through BoG) to convert the institute into a "Centre for Excellence".

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Delegations of responsibility - some of the key responsibility areas are identified and delegated at different levels - office function, Principal, HOD/Asst. HOD.

- Academic Council-All academic matter (including BOS functions) through academic council
- Internal Quality Assessment Cell (IQAC)
- Participatory Management-Subcommittee for different functional activities comprises representatives of teachers, non-teaching staff and students. It includes the involvement of the staff for organizing different programmers of the college. The c
- Staff Orientation Programmers are organized by the college on a regular basis.
- Performance appraisal system is practiced.
- Promotion policy College follows the promotion policies of the Higher Education Department.

In addition, the institute also has introduced seniority based and performance-based promotions.

- Policy for compensation-College extends the following benefits to the staff members. Such as:
- Provident fund-Each member of the staff shall subscribe to duly constituted College Provident Fund in accordance with statutory rule.
- Gratuity-College pays Gratuity to the staff members.
- Performance Recognition-The College gives performance recognition by way of monetary incentives, like, sponsoring registration fees for the faculty members whose paper have been accepted at Seminars and Conferences (including International Conferences) providing the Ph. D registration fees to the candidates by felicitating the retired staff members and recognizing contributing efforts of those, with at least 2 years of service.

## 6.3.5 - Institutions Performance Appraisal System for teaching and non-teaching staff

The following factors are effectively scrutinized in the appraisal system for teaching staff. The Students feedback, University Examination results, Attitude, involvement, commitment and achievement of a faculty with respect to his/her non-academic administrative activities, Feedback and review of performance from other faculties in peer groups. The faculty who rejuvenated through attending various programs and presenting the same to the colleagues in turn pertaining to their feedback. The duly filled Self-appraisal form manually, is received from each faculty at the end of every semester. Encouragement is given to the faculty members, to participate in conferences and publish the research papers in the international / national journals. By granting on duty (OD) to the faculty members based on their competency requirement, they are counseled to attend faculty Development Program (FDP) and workshops organized by the reputed Institutions / universities. The faculty members are encouraged to organize national / international seminars / guest lecturers / workshops/conferences by sponsoring such events from the institute.

## 6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various

Page 51/63 30-04-2024 03:50:05

internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

CIEM has Internal and External Audit. The accounts of the Institute are audited by chartered accountants regularly as per the Government rules. Whenever there are additional expenses over and above the budget proposals, special sanction is to be taken from the approval authority of the management. The Accounting and Auditing Committee looks after internal audit and it's presented to the certified Chartered Accountant

### Internal Audit:

The purpose of internal audit is to provide an objective source of information to the management with a view to efficient conduct of activities of the institute, safeguarding assets, preventing and detecting fraud and other unlawful acts, completeness & accuracy of financial records and timely preparation of financial statements. Internal Audit is done by checking each bill and vouchers, books/laboratory equipment and other materials are purchased at a least price taking proper quotation collected from the parties.

### External Audit:

The financial records are audited by qualified chartered accountants at the end of each financial year. The financial records are certified i.e., income and expenditures, balance sheet and notes on accounts. The institution publishes audited financial statements on the institution's website as information for the concerned people.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The institution has been continuously reviewing the teaching learning activities by undertaking various measures enumerated below:

- Departments are required to conduct their meetings regularly and prepare a plan of action to be followed in the academic year. Accordingly, strategies are made and implemented to ensure the achievement of the targets timely for the benefit of the students and enhance the quality of teaching-learning process.
- Timely upload of all the required information to be made available to the students is being done. Data like time table, notice regarding events, forms are done on a regular basis to ensure maximum participation of the students.
- Experiential learning and Industrial trainings are encouraged through organization of field trips, educational excursions.
- IQAC has been continuously working to develop gender neutral campus following professional ethics.

### INSTITUTIONAL VALUES AND BEST PRACTICES

## 7.1 - Institutional Values and Social Responsibilities

## 7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The institute has effectively installed CCTV cameras at important strategic and sensitive locations such as at corridors, canteen, entry gate and other public places The college has posted male and female security guards at the entry gate to fully curb the entry of outsiders. The college do has an active Women Development Cell and also a redressal body that takes into account any complaints made by the students regarding sexual harassment. For smooth dissemination of information related to all the college notice board displays the names and telephone numbers of the chairperson, secretary, staff members, non-teaching members and student members. Special attention is paid to ensure the safety of female students. The method of registering of complaints is fairly accessible. The complaint about sexual harassment made by the victim is kept confidential. Appropriate arrangement is made to provide emotional support to the victim in the form of counseling. The college has a girls' common room, where the girl students canshare their thoughts and enjoy leisure time. Sanitary Napkin Vending Machine has been installed in the College for the benefit of girl students. The report is reviewed by the IQAC and the

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

The waste is segregated into dry and wet waste. The waste is collected in different disposable bins kept at different locations in the college. IQAC has taken the necessary measures to make the campus plastic-free and clean. Vermi-compost is produced from the bio waste matter as organic nutrients for the plantations with the firm endeavor of promoting recycling of waste and dissemination of the practice of organic farming. The eco-friendly waste management system involves a magnetic flux created with controlled oxygen presence which ensures the complete combustion of waste decomposing municipal solid waste material into ash. During the destruction process there is no odour, flies or leaching of contaminants. The college adheres to a strict protocol of liquid waste disposal in its laboratories. The liquid waste is segregated into organic and inorganic waste. The college has taken steps to

optimize its repository of computers through reassembling, modification and up gradation by a team of IT Administrator, faculty members and students of Computer Science Engineering and Information Technology. No discarded computers or printers are lying idle in the office premises. The E wastes generated will be safely disposed through certified E waste recyclers.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

At our institution, communal and linguistic harmony are core values that we celebrate through a myriad of events and initiatives. During our annual tech fest and cultural fest, students from diverse backgrounds come together to showcase their talents, bridging linguistic and communal divides through shared experiences of creativity and innovation. Poster-making events serve as a platform for students to express their cultural identities and perspectives, fostering mutual understanding and appreciation. Furthermore, we commemorate occasions like International Mother Language Day, where the richness of linguistic diversity is celebrated, honoring the unique languages and dialects spoken by our community members. Additionally, the vibrant festival of Holi serves as a joyous occasion for students to come together, regardless of cultural or communal differences, to revel in the spirit of unity and shared celebration. Through these events and celebrations, we uphold the values of communal and linguistic harmony, embracing diversity as a source of strength and enrichment within our institution.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Page 59/63 30-04-2024 03:50:05

At CIEM College, we are dedicated to nurturing responsible citizens of India, empowering students to uphold their rights and fulfill their responsibilities towards society. Through a range of engaging activities and events, we aim to instill in our students a sense of civic duty and active participation in the democratic process. On our college website, you can find details of various initiatives such as voter awareness campaigns, where students are educated about the importance of voting and encouraged to exercise their right to vote. Additionally, we organize seminars and discussions on topics related to social justice, human rights, and environmental sustainability, providing students with a platform to engage in meaningful dialogue and critical thinking. Furthermore, our community service programs offer students opportunities to volunteer and contribute to the welfare of marginalized communities, promoting empathy and compassion. Through these events and activities, CIEM College not only equips students with the knowledge and skills they need to succeed academically but also fosters a sense of civic responsibility, preparing them to be active and engaged citizens of India.

## 7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

At our institution, we take pride in celebrating a diverse array of cultural and national festivals, honoring the rich tapestry of traditions that define our identity as Indians. From the vibrant colors of Holi to the solemn reverence of Saraswati Puja, each festival holds a special place in our hearts and serves as an opportunity for communal bonding and reflection. We pay homage to the craftsmanship and ingenuity of our workforce during Viswakarma Puja and reaffirm the bonds of love and protection on Raksha Bandhan Utsav. Moreover, our celebrations extend to significant national events such as Independence Day, Republic Day, Gandhi Jayanti, and Swami Vivekananda Jayanti, where we commemorate the sacrifices and ideals that have shaped our nation's history. These occasions are marked with flag hoisting ceremonies, cultural performances, and inspirational speeches, fostering a sense of patriotism and unity among our students and faculty. Through our collective observance of these festivals and commemorative days, we strive to uphold the values of diversity, inclusivity, and national pride that define our institution's ethos.

### 7.2 - Best Practices

Page 61/63 30-04-2024 03:50:05

## 7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Cross Departmental Mentoring of the students The basic objective of this practice is to help the students to get rid of several impediments and hindrances towards successfully concentrating on their studies. The practice helps to address the problems of the students as far as possible. The practice also enables some students to share their confidentiality regarding some problems with their mentors. The mentor has to clearly understand the problems stated by the students and then to solve it accordingly in line with the psychology of the students, the practice is very important in also addressing issues for the students concerned confined not only to institute but also outside.

2. ICT-based teaching-learning is to encourage all the faculty members and the students of the institute to acclamatize themselves with the most modern methods of teaching learning. The practice enables the faculty members and the students to establish more close linkages with one another through this platform. The practice is aimed at making the institute rise up in the present context of teaching learning processes.

## 7.3 - Institutional Distinctiveness

## 7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Keeping in linewith the vision, the institutehas resulted in students outperforming themselves and depicting exemplary results at the university level. Additionally, the faculty has also been actively participating in various national and international seminars and conferences, faculty development programs along with conducting extensive research. Furthermore, the administrative staff has also been motivated to participate in various training programs to increase their efficiency levels, which has been observed in their ability to perform daily tasks. This, in fact also relates to the mission of the institute Surpassing all these, the most notable feature of the institute is its contribution to

the society, even in this present day of lust for more profit by the different stakeholders of different private institutes, CIEM keeps its head high and feet rooted to the ground, believes in excelling and to rise through quality and by contributing in every respect to the betterment of the society. The very fact that it is a non-profitable organization is well reflected in its activities, for instance to give scholarships to needy and deserving and enable them to rise high in the society along with the institute

## 7.3.2 - Plan of action for the next academic year

1. To Improve On-campus placement: The Institute plans to collaborate with some of the reputed industries so that there will be regular campus placement drive from these companies. 2. To establish a research lab in the respective departments. 3. To submit proposals to funding agencies for research and modernization of laboratories. 4. To sign MOU with industries to get Industry sponsored projects and internship, training of students. 5. To enhance outreach programs for the members of the backward community. 6. To enhance the number of smart class rooms in the departments. 7. To introduce fully ERP system for different examination, administrative processes like, admission, result publication, etc. 8. To appoint student counsellor for addressing student grievances.
